The World Match Play Championship was first sponsored in 1964 by Piccadilly up until 1976. During 1977 and 1978 it was sponsored by Colgate and from then by Suntory.

In 1974 the first postmark to advertise the Championship appeared as a publicity slogan and was used in the transposed position between - September 16th and October 6th. It was used at Hounslow on the 16th September only, and at Kingston upon Thames and Weybridge.

Hale Irwin, U.S.A. won the Championship by beating Gary Player, South Africa in the Final by 3 and 1.

UNITED STATES POSTAL SERVICE CANCELLATIONS 1990

NEC WORLD SERIES of GOLF at Firestone C.C., Akron, Ohio.

Two cancellations used from August 23 through August 26

At the beginning of August I had a surprise visitor call on me armed with a supply of 'World Series' covers - he announced himself saying "I did not know him but he knew me". I had written Akron Post Office earlier that year for information. He and his wife were over for the World Pipe Band Championships, and as he was in my neck of the woods thought he would pay me a visit. Although late at night we had a most interesting chat accompanied by a jar of the 'Golden Nectar'! Ed.

Downhill dogleg right requires an excellent tee shot to the left side of the fairway. The small green is surrounded by three well-placed bunkers and requires a very delicate approach shot.

Golf cards are no exception and the cards illustrated below are from a series produced in 1984 by Verkerte Copyright & Licensing GMBH., Kussnacht, Switzerland and printed in The Netherlands.
