STAMP ISSUES

This edition contains an updated list of golf stamp issues including souvenir sheets and booklets. The list has been revised and updated using the 1999 edition of Scott Catalogue. Many numbers are still needed to update the Gibbon numbers. If anyone has access to a current catalogue, these can be updated for future lists.

A number of collectors will not agree with the list of stamps since it does not include such items as local post, issues purported to be from former Russian republics, etc. While these are considered collectible by some of our members, if they are not valid for postage, they are not included in the catalogue. Some stamps listed are questionable but without some confirmation about their validity, they are included because those countries are part of the Universal Postal Union.

There are always questionable designs. For instance, a couple members have questioned an issue of Mexico. In order to verify this someone needs to obtain information from the Post regarding the design or determine what games were held in conjunction with the event illustrated

by the stamp. There are a number of different sized balls in the design, however we need some other confirmation that one of these is a golf ball.

Additions or corrections to the list are appreciated. Please check your sources before sending a volume of photocopies for the editor to decipher.

Front Postcard

The postcard on the front page is the second card (No. 6) in the series described in the last issue of *TEE TIME*. This card was a premium packed inside a candy bar, comparable to a baseball card packed with bubble gum. See *TEE TIME*, Vol. 5, Issue 1, page 3.

Members are welcome to submit cards for the front of *TEE TIME*. However, to make it more interesting, please prepare a written explanation of the card giving details as to when published, name of company, postal usage, era. Picture post cards were a very popular hobby around the turn of the last century and many exist with a golf theme. Remember that a very clear photocopy or image of the card is need in order for it to be reproduced.

Rhos-on-Sea Golf Club Centenary

by Richard Derrick

1999 marks the Centenary of the tenth golf club in Wales—Rhos-on-Sea Golf Club. A special cancellation was made available on January 1, 1999 when the centenary year began at the club house with a reception followed by a flag raising ceremony.

The golf course is located on the coast of northern Wales midway between Colwyn Bay and Llandudno, 6 km east of Llandudno. The course consists of undulating land believed to be the original bed of the River Conway. It is an 18-hole course of just over 6,000 yards. The terrain is largely flat, however a combination of water hazards and several natural plateau greens makes it more difficult to obtain a good score.

George Duncan was the club's first professional. After leaving the club, he went on to become the 1920 Open Champion and played for Great Britain and Ireland in the Ryder Cup.

The main focus of the centenary celebrations will be a golf open week commencing on July 5th with a variety of competitions held that week. A large marquee will be pitched at the front of the clubhouse. A summer ball will be held in the marquee July 3rd and the Maelgwn Male Choir will give a concert July 7. Other social events are also planned.

Rhos-on-Sea Golf Club 1999 centenary cover

In 1999 Rhos-on-Sea Golf Club becomes only the tenth Welsh golf club to celebrate its centenary. A special lady golfer cancellation was issued. A limited edition colour cover showing an old fashioned and a modern golfer and the club's badge was also produced.

CANCEL CORNER

by Lois Nelson and Gary Schwieger

Five new cancellations have appeared in the US which have not been previously reported. The following is a list of cancels that had been received as of May 10, 1999.

USPS OWL-EI St. Jude 1st Annual Benefit Golf Tournament, Martin, Tennessee, October 12, 1998--one cancel in black ink.

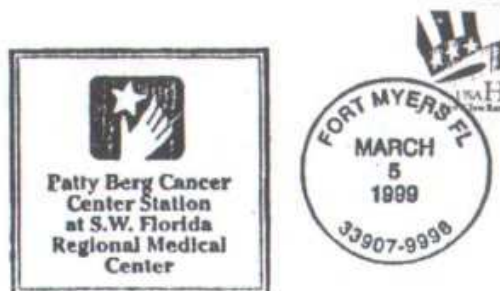

44th Anniversary Convention Station, Orlando, Florida, January 7 through January 10, 1999--one cancel for each date in black ink.

Phoenix Open Station, Scottsdale, Arizona, January 25 through January 31, 1999--one cancel for each date in black ink.

Patty Berg Cancer Center Station at S.W. Florida Regional Medical Center, Fort Myers, Florida, March 5, 1999--one cancel in black ink.

Longs Drugs Challenge Station, March 29 through April 3, 1999--one cancel for each date in black ink.

In addition to the US cancellations shown above, members have provided a number from other countries. Eiron Morgan has provided a number of cancellations from several countries. One is the upcoming cancellation for the **128th Open Championship to be held at Carnoustie, Angus** this July. A commemorative cover will be available from many dealers for that event.

A cancellation was made available for the **Australian Open Golf Championship** held December 3 -6, 1998. Roger Weik also submitted a copy of this one for inclusion in *TEE TIME*.

From Japan we have received a postmark recently used for commemoration of **National Athletic Meeting**. The date in this cancel is September 12, 1998. The first number in the date indicates the year of the current emperor. This was submitted by Yukata Matsubayashi.

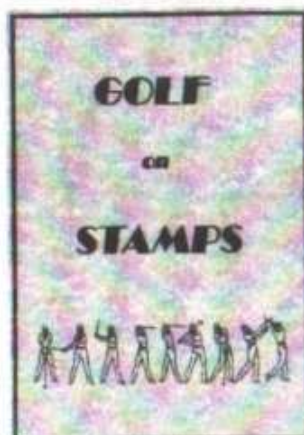

A cancellation from the Philippines was also received from at least two sources. The press bulletin announced the use of a special slogan canceller on all mails and philatelic matters posted at Canlubang Post Office in honor of Dominga "Ingga" Capati, the greatest lady golfer of the Philippines and in celebration of the 25th Capati Memorial Golf Tournament from the period March 16-21, 1992.

A number of other cancellations have been received. In some cases I need clearer copies for reproduction and in others I need some of the words translated. Hopefully, we can include these in future editions of *TEE TIME*.

Thanks for the help of all those who have participated in this column. I regret to say that I do not remember who sent a couple of these and therefore I have not given them credit for their efforts.

A Different Kind of Find!

--by James Gray

Member, James Gray, has a specialized collection of the Isle of Man issue of May 29 1997. He now has 21 pages of mounted material related to this issue. During his research and collection of this material, he found an error in identifying two of the stamps.

The Official FDC published by the Isle of Man Post Office contained an insert card which describes the four stamps. As one can see from the stamps the 43p value (bottom line lower right) is identified as the 17th Green at Rowany and the 50p value (bottom line lower left) is identified as the 8th Green at Castletown. However, on the insert card, the descriptions for these two values are reversed. The 43p describes the course at Castletown and the 50p value describes the course at Rowany.

How often do we look close enough at an insert to discover this kind of error? Most of us probably never take the insert out of the FDC! Thanks, Jim, for sharing your discovery with the rest of IPGS.

LONDON 2000

While London 2000 seems a long way off, it is now less than one year away. Perhaps we can arrange an informal get together with some of our members from Great Britain and the continent. Some of us have even applied to exhibit there.

If any of our members or dealer members from Great Britain can let me know who to contact in order to arrange a meeting time and place, it would be appreciated. I did attend a meeting of Olympic and sports collectors when we attended London 1990. The International held in London is always a great show and hopefully those of you on that side of the Atlantic will plan to attend.
