## Front Postcard

This postcard gives one the opportunity to compare one's own score with that of Sam Snead. Snead's record golf scores are given for two courses at the Greenbrier Hotel in White Sulphur Springs, West Virginia.

It lists the holes with the par values for each and it lists Snead's record for the same holes. His scores were obtained under competitive conditions according to the card. The other side of the card gives one a chance to list one's own scores and compare them to Snead's.

The reverse side of the postcard has a poem based on the poem "Trees" with due apologies.

### TREES

I think that I shall never see  
A hazard rougher than a tree--  
A tree o'er which my ball must fly  
If on the green it is to lie;  
A tree which stands that green to guard,  
And makes the shot extremely hard;  
A tree whose leafy arms extend  
To kill the mashie shot I send;  
A tree that stands in silence there  
While angry golfers rave and swear.  
Niblicks were made for fools like me  
Who cannot ever miss a tree.

## Many Thanks

We need to thank both Patricia Loehr and Dino Tognellini for their contributions to this issue of *Tee Time*. Without their efforts, we probably would not have this issue.

Patricia contributed the four-page update of Great Britain Meter Stamps. She says she has quite a few more so perhaps we can prevail upon her to send them for the September issue. The way these updates are formatted, they could be extracted and added to the Slogan Meter Book which most of you received a few years back.

Dino sent a group of Italian cancellations with their translations which will follow.

The only other item received was information on a US cancellation from Bill Graham. It was used at BUTLERPEX. The address is: BUTLERPEX Station, 345 South Main Street, Butler, PA 16001-9998. It was used on May 9<sup>th</sup> and 10<sup>th</sup> and consists of Golf Clubs in a bag along with a hat. If anyone obtains the cancellation, please send a copy for the next issue of *Tee Time*.

## ITALIAN CANCELLATIONS

1. Italian Yearly Trophy with both amateur and professional golfers participating. It is sponsored by TELECOM which is the big Telephone Company in Italy.

2. TOPOLINO (W.D.) is the World Trophy reserved for Girls and Boys. Note Disney character.

3. Cancellation on the occasion of a performance (exhibition) of the game played by supporters of the Golf Italian Federation, over the Tiberina Isle in Roma that is in the middle of Tevere River.

4. 100<sup>th</sup> Anniversary of Sporting Amateur Association of Golf Club: the Menaggio and Cadenabbia which are two little towns near Lake Como. (Shown on page 7.)

5. Italian Association of Jurist Golfers in the World (law professionals).

6. First Day of Emissions for the golf stamp issued by Italy on April 5, 2003.

## NEEDS FOR TEE TIME

We haven't had any new cancellations from other countries for some time. Also, we need an update on the Japanese Echo Cards if any new ones have been issued in recent months. In addition, an editor is urgently needed or the publication will cease as of the end of this year. Anyone needing past issues of Tee Time or the Golf Meter Book should order them now.
