FRONT POSTCARD

"I MAKE A HOLE IN ONE TODAY"

Welcome to the first full color edition of Tee Time. The new Tee Time has gone fully digital. We now will be able to print all stamps and covers in full color.

The new editor has some material to publish but as usual, small time publications depend upon their readers for most of the material that is published.

We can use almost anything. Errors, covers, postcards, or anything else that you have in your collection that is philatelic in nature.

Please write first and let me know what you have available.

Since we are now digital, we need articles in a different format than previously. We cannot use photocopies unless they are in full color that we can scan.

All articles should be typed in Microsoft Word, WordPerfect or any other word processor that I can import. Items that needed to be scanned should be done at 300 dpi and sent to me on a CD or email: albmpublisher@comcast.net. If you cannot scan items, please send to me and I will scan and return to you in a day or so.

We will start this issue with some older postcards, advertising covers and advertising prepaid postcards from China.

IPGS ISSUES FIRST PREPAID GOLF POSTCARDS FROM CHINA

The first personalized pre-paid (stamped) advertising postcards from IPGS are available for sale to IPGS members. The cost is \$3.00 each postpaid in the US. Please add \$1 per order for shipping to other countries. Cards #1 and #2 are currently available from the editor.

Personalized Golf Stamps

I recently found the following items on eBay. Since there are so few golf stamps issued, this may be an additional collecting area. Please report any additional items to the editor. If possible send a JPEG image at 300 dpi. Should we have a regular column for these issues?

PRESIDENT'S MESSAGE

I would like to welcome two new members to the International Philatelic Golf Society.

Resignation: #501 Robert J. Hartigan

This next part has to do with the French issue of May 16, 2008 (*Tee Time*, September 2008, page 4). The issue was for the 100th Anniversary of the Golf Club Aix Les Bains. Two members, Dino Tognellini and Stefan Filanovitch have provided additional information on the stamp.

Dino tried to order the stamp from the postal administration and was told that it was available only to the club and not through the postal system. With this I contacted Stefan to determine more information on its status.

The stamp would be considered as "Printed to Private Order" which means it was printed by the postal administration with limited distribution to the club only and not sold through the post office. A special cancellation for the 100th Anniversary was available. We would call this cancellation an "unofficial first day cancellation". It does not say "First Day of Issue" as the standard postal issue would have. Also, this issue will not be assigned a catalogue number as most stamps receive.

Thanks to both Dino and Stefan for providing this additional information.

Next, many have been sending in their dues for 2009 and beyond. The following members have not sent in their dues. If I

don't receive them by June 1, 2009, they will not receive the next issue of *Tee Time*. The members follow:
