TEE TIME Articles Appear in "Down Under" House Organs

IPGS member Judith Sidaway wrote and asked permission to use two articles which had previously appeared in *TEE TIME*. Judith is the editor of *Stamping Around*, bulletin of the New Zealand Stamp Collectors Club Inc. She included Eiron Morgan's article on "A Christmas Airgraph" in the November 2003 bulletin.

A second article was published in *Captain Cook*, newsletter of the Christchurch (N.Z.) Philatelic Society (Inc.) This article was "The Australian Imperial Forces Victorian Cup 1937-1939" by Stuart R. McKenzie. This appeared in *Tee Time* in June of 1989.

HELP NEEDED FOR NEW ISSUES

The editor is no longer receiving copies of the new issues and related information about them. A number of individuals do supply scans via email, however I cannot print them out clear enough to reproduce. The best copies for reproduction are color photocopies. If anyone would care to take this on for the NEW ISSUE column, I would be most appreciative. If anyone sees information in the philatelic press concerning a new issue, please pass it along.

DUES NOTICE

If your dues expired at the end of 2003, you should have received a dues envelope in the December issue of TEE TIME. The amount of dues remains the same. If we do not receive your dues before the June issue goes to press, we will assume that you no longer wish to belong and drop you from the mailing list.

Some members asked about the price of the Handbook. It was supplied to all paidup members at the time it was issued. Other copies are available for \$15.00 (US) and \$2.00 shipping within the US or \$5.00 overseas.

Front Postcard

This card was postmarked Brooklyn, New York, February 13, 1907. It was of the undivided back era. Just below the picture in the lower left it says Aurochrome Series and it has name Myer in the upper right. The number "A 30" appears in the lower right. If anyone can shed any further light on this card or others in the series, please let us know.

It is always fun to look through a couple of shoe boxes of cards to pick one for the front. I must

start using some of the foreign cards with foreign expressions and someone can translate them for us. The older cards are especially fun when one considers that some are already 100 years old.

Show Calendar for 2004

At this time our plans call for my husband and me to attend the Plymouth Show (Michigan) at the end of April, ROMPEX (Denver, Colorado) in May, the Topical Show (Memphis, Tennessee) in June and finally SESCAL (Los Angeles, California). I will be on the judges panel at two of the shows and working the United Postal Stationery Society table at the other two. Please make it a point to make yourself known if you plan to attend any of these shows. If you let me know in advance and have an interest in any specific type of item, I will be glad to bring them if I have extras.

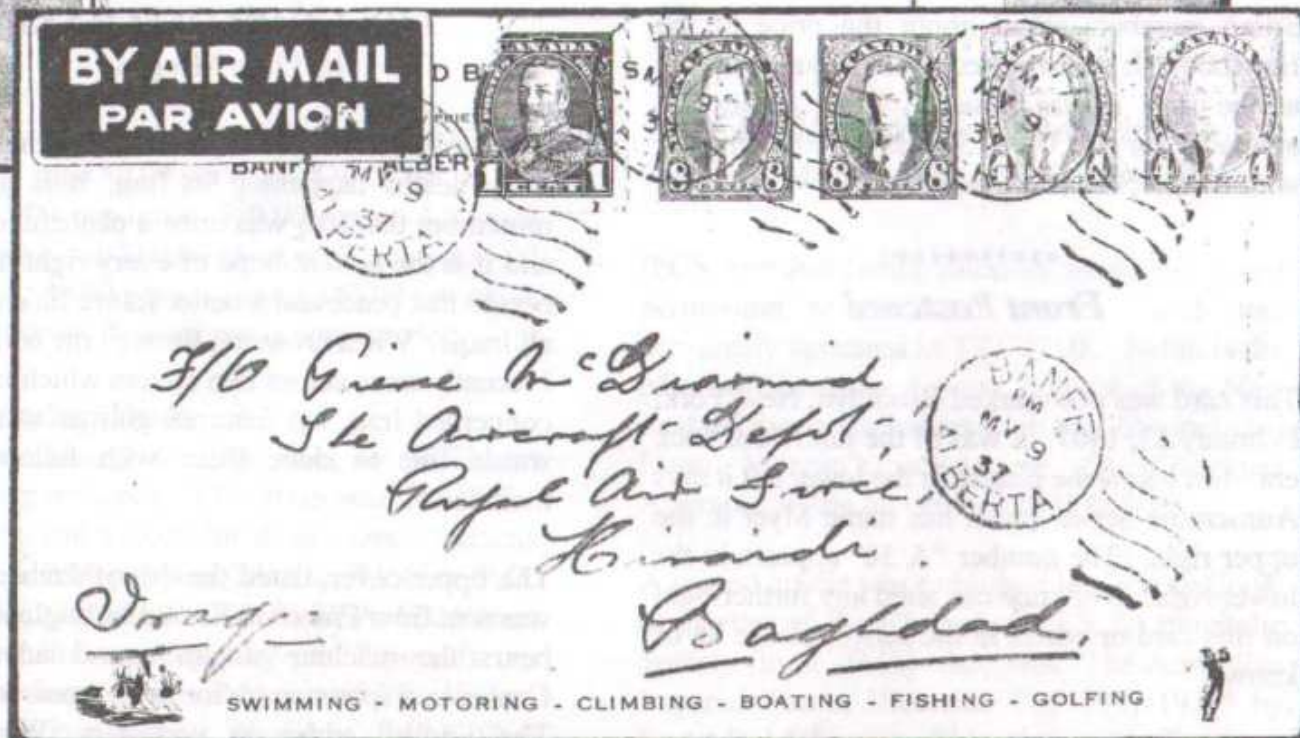

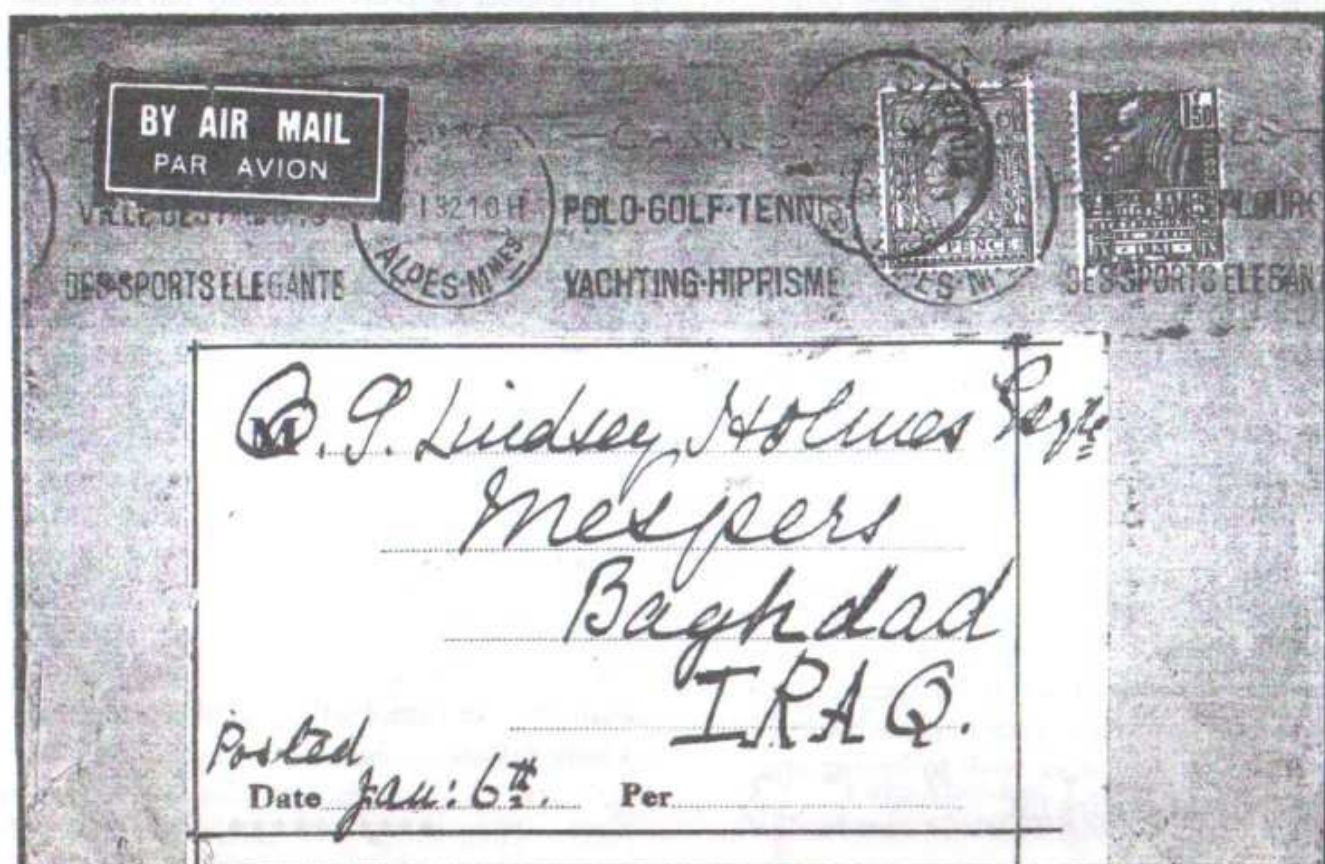

THE GOOD OLD DAYS

by Eiron Morgan

In the midst of all the daily media coverage of the daily deaths happening in Iraq, it is good to remember that Iraq was once a peaceful country and it is the fervent hope of every right thinking person that peace and a better future lie ahead for all Iraqis. When browsing through my collection, I recently came across two covers which not only concerned Iraq, but featured golf as well and I would like to share these with fellow IPGS members.

The upper cover, dated the 4th of January 1932 was sent from France to Stroud in England and it bears the machine slogan cancel advertising Cannes as a sports centre for Polo, tennis and golf. The English addressee was Mrs. Waring of Roxbourne Rectory nr. Stroud in Gloucestershire.

Evidently this lady had moved and a label was stuck over the original address and the cover re-directed to Baghdad in Iraq. (upper illustration) The lower cover was also sent to Baghdad but from Banff in Canada in 1937. This cover is also one which advertises golf both in the wording and in the illustration at the bottom.

Both of these covers give me a great deal of pleasure but also a pang of conscience about the Iraqi people, especially those in Baghdad, who don't experience much in the way of pleasure these days. Bring back the good old days!

If anyone can fill in any of the missing numbers or dates, I would be glad to hear from you. Countries such as Guyana are particularly difficult to identify. Issues of questionable postal validity have been purposely left out. Individuals can collect whatever they wish, however, the Society does not purport to endorse these questionable items and will not promote them in the journal.

SPECIAL THANKS

Special thanks to Luis Garcia, John Traver, and Arnold van Balgooi for their assistance in identifying golf issues, and also researching dates and catalog numbers.

If a stamp has not been pictured in TEE TIME, it is generally because I do not have an image of the stamp which is reproducible. I find a colored photocopy will generally reproduce satisfactorily in the journal. However, when images are e-mailed, I have a difficult time opening the attachments and then printing them out for reproduction.

I appreciate the members taking their time to assist in the task of keeping the checklist up to date. There are probably still some dates or catalog numbers which need to be corrected. While I may not always respond to your letters and e-mails immediately, I do keep the information on file for future use. I hope you will join those listed in watching the philatelic press for new golf issues and mail the information to the Editor. IPGS, P O Box 2183, Norfolk, VA 23501-2183 USA. 2003 Echo Card

by Yutaka Matsubayashi

We are advised that this was the first echo card with a golf theme for 2003. The card was issued on December 10, 2003. It was sponsored by the Kuroshio Country Club in Kochi Prefecture for the commemoration of the upcoming PGA Championship to be held May 13-16, 2004.

Another special cancellation was used by the Goshō Post Office in Tokushima Prefecture, Shikoku to the commemorate Nenrinpic, so called aged people's athletic fair in Tokushima. For those unaccustomed to the dates, year 15 of the current Japanese emperor (year 1 was 1989), 10th month and 18th day--hence October 18, 2003.

TEE TIME, March 2004

Mobile Post Offices

by Eiron Morgan

Until Cora Collin's article (*Tee Time* 65, p. 10) which mentioned a "Mobile Post Office", very little has appeared in our journal regarding M.P.O.s. MacKenzie (*Tee Time* 1, p. 5) refers briefly to their presence at Open venues, and later (*Tee Time* 7, p. 76) he presents illustrations of M.P.O. cancels at the Canada Cup event at Wentworth Golf Club in 1956. The purpose of this article is to share some more historical information with members.

Britain's Post Office took over the telegraph companies in 1870 and in 1871 introduced its first mobile telegraph office. This was done as a means of meeting a sudden increase in business at small places, e.g., a race course or the Oxford and Cambridge boat race. The P.O. regarded the sending and delivery of telegrams as its main function at such special events--postal facilities were only incidental. However, on the 30th September 1936 the first Mobile Post Office was inaugurated.

Usually the M.P.O. was taken on the previous day to an event's venue. Limited postal facilities were offered such as the sale of stamps, postal stationery and postal orders as well as the registration of letters. Only registered mail received the special handstamped postmark of the M.P.O., and registration labels either bore the name of the nearest district head P.O. or were of the "skeleton" type. Each M.P.O. had 3 postal clerks and 3 handstamps were used with index letters A, B or C. The first M.P.O. bore the registration number GPO 1.

Due to prior bookings in 1937 the P.O. had to decline invitations for the M.P.O. to attend 18 events and it later decided that a second M.P.O. was "justified on prestige and other grounds". A second M.P.O. was delivered on the 5th of April 1938 and its vehicle bore the registration number GPO 2.

In 1939 war clouds were looming and both M.P.O.s were loaned to the Home Office for a civil defence recruitment drive. In March 1940 they were transferred to war service and used by the Radio Branch.

Records regarding M.P.O.s are "thin" for the immediate post-war years, but by 1947 they were back on their visits to sporting events and agricultural shows. The demand for their services continued to grow and in 1949 M.P.O. 3 joined the team.
