We would like to hear from you in regard to the Journal "TEE TIME", as well as other concerns. Are you no longer collecting? What are your interests. Please write IPGS: P.O. Box 2183, Norfolk, Virginia or emailpoststat@juno.com.

If the membership shrinks by this many members, perhaps we should consider other options. For example, our editor has suggested that we go to an all computerized journal. How would this effect you? Do you have a computer and are you willing to print it out every two months. Please inform us of you desires in this matter.

I know I owe several members a letter and I need to update the Pinehurst article which appeared in the last issue. Unfortunately due to the illness of my husband, I have spent every day either at the hospital or rehab facility. Hopefully this will change very soon and I can respond to the letters I got before the end of the year. Thank you for your patience.

By 1896, membership had grown to 70 men and ladies when the Club Captain was Dr. EA Walker and president A Staddish.. Shortly after the turn of the century, the course was enlarged to 18 holes. (Figs 1-3)

The course of the twenties was attractive and well groomed but lacked modern features and was too short. The course was redesigned by 1933. The course is now of the country's leading and more attractive courses, with Bobby Locke naming the 13th hole in "Among the eighteen finest".

National Senior Titles have been won by New Plymouth members on three occasions, Glennis Taylor, Joe Holden and Grant Moorhead with Taylor, Moorhead and Tom Jeffery representing New Zealand at a senior level.
