ARTICLES NEEDED

We are in need of articles regarding philatelic material for future issues of *TEE TIME*. If each individual could write about some of the items in his or her own collection, we would have more than enough articles for years to come. However, I am receiving very little in the way of philatelic articles. The offer is still good for free dues to members providing enough material for two pages in *TEE TIME*.

ITALIA

A number of IPGS members were in attendance at ITALIA, held in Milan, Italy between October 23 and November 1, 1998. Two members were among the exhibitors. Valentino Vannelli entered an exhibit entitled "Baseball" for which he received a Large Silver. Pradip Jain entered an exhibit entitled "Indian Air Mails: The Development and Operation 1911-1942" for which he received a Large Gold. This exhibit was also recognized as the best air mail exhibit in the show. Congratulations to both exhibitors.

Two of our dealer members had booths at the exhibition. These included Pierre Wertheimer of France International and Michael Berry of Healey & Wise. I also met member Leon Vanverre who was assisting at a dealer booth. He has promised to update our list of Belgium postal cards in the near future.

Two other members were present at the show, but I did not have the opportunity to meet them. These were Miguel Gil Garcia and Maire Kiddle.

Attending an international show is always a lot of fun and it allows you the opportunity to meet dealers from all over the world. This in turn provides exposure to material one hasn't

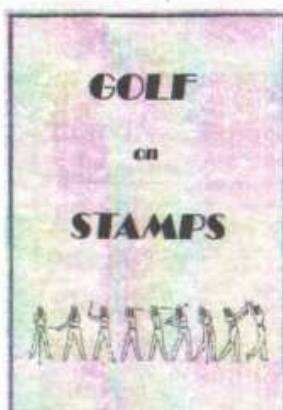

previously seen. In addition, a show of this magnitude provides a cross section of exhibits. All the sports exhibits were in one location. This made it possible to spend a great deal of time looking at exhibits of interest. When more than one exhibit on a subject was entered, they generally appeared together. This makes it easy to view both and compare the material.

The show was held at an outstanding exhibition hall and there were many other things to see at the site, i.e., military exhibits, Ferrari automobiles, etc. If you had family members with you that did not collect stamps, there was plenty for them to see.

SPECIAL THANKS

A number of individuals have contributed to this issue of *TEE TIME*. We are especially grateful to Yutaka Matsubayashi for identifying the newer issues of Echo cards. The remainder will be run in the next issue of *TEE TIME*. Previous cards were shown in December 1988, March 1989, June 1989, June 1991, September 1991, September 1992, September 1995 and September 1998.

DUES REMINDER: If you owe dues at this time, you should receive a dues envelope with this issue. Otherwise you are paid through next year.

In ordering the special cancellation for Clute, Texas, we talked to Mr. Edward K. Adams who provided information about the golf cancel.

Mr. Adams is quite a golfer and he decided to celebrate his installation as postmaster with a special cancel depicting a golfer hitting a ball. The cancel commemorates no golfing event but provided a fun way to celebrate a noteworthy event in his life. This cancel was used for 31 consecutive days.

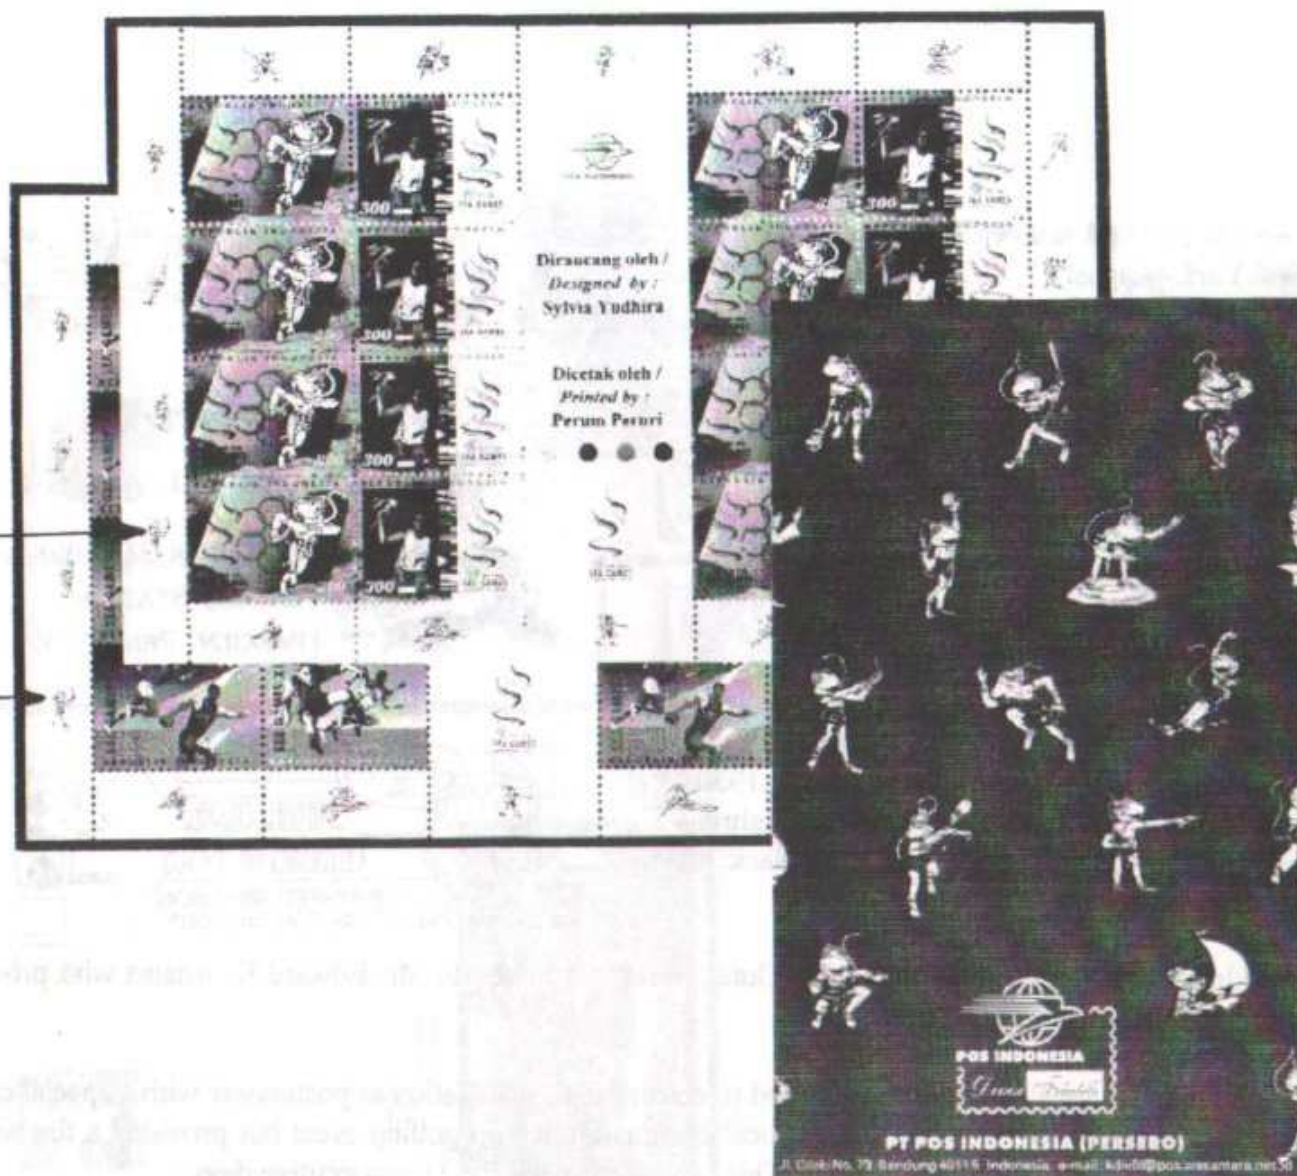

NEW ISSUES

-- by Luis Garcia

On September 9, 1997, **Indonesia** issued two sheets of stamps and a booklet for the 19th Sea Games held in Jakarta. A mascot playing golf is depicted in the border of each sheet as well as on the back cover of the booklet.

Ascension issued a sports series containing four stamps on August 17, 1998. A golfer is portrayed on the 35p stamp.

As part of its Celebrate the Century Stamp program, the United States issued a series for the 1930s in August 1998. Bobby Jones is featured on one of the stamps. Unfortunately, the stamps are sold only in the 1930s sheet and are not available individually.

Depression, Dust Bowl, and a New Deal

By 1930, the United States was in the grip of a severe economic depression. The Dust Bowl, a series of droughts and dust storms, had devastated the Great Plains. Franklin D. Roosevelt, who became president in 1933, introduced the New Deal, a series of programs and reforms designed to provide relief, recovery, and reform. The New Deal included the Social Security Act, the National Labor Relations Act, and the Federal Reserve Act. It also included the Civil Works Administration, which provided jobs for millions of unemployed Americans. The New Deal was a turning point in American history, and it helped to bring the country out of the depression.
